

Join Our Maintenance Team!

Part-time Handyman with Animal Care Skills

Become part of our Wiggletail family

 **Apply Now** 

We're looking for a part-time handyman/handywoman to join our team at Wiggletail Animal Sanctuary! This is a flexible position focused primarily on maintenance tasks, with opportunities to help with animal care during holidays and busy periods.

About the Role

This dual role focuses on keeping our sanctuary facilities in great condition while occasionally helping care for our animal friends!  You'll be responsible for maintenance and repairs around the property, and at times, you'll assist with the care of our dogs, gentle horses, pigs, sheep, goats, and one friendly donkey.

What We're Looking For

We need someone with practical maintenance skills and a love for animals. If you're handy with tools, enjoy fixing things, and don't mind rolling up your sleeves for animal care when needed - we'd love to hear from you! You'll need your own transport to reach our sanctuary, and while English is preferred, it's not essential - a caring attitude and practical skills are what matter most. 

Specific duties include (but are not limited to):

Maintenance Tasks:

- General repairs and upkeep of animal enclosures and sanctuary buildings
- Basic plumbing, electrical, and carpentry work
- Fence maintenance and repairs
- Equipment maintenance and troubleshooting
- Grounds upkeep and seasonal maintenance

Animal Care (as needed):

During staff holidays or busy periods, you'll help with: 

- Feeding animals and ensuring fresh water is available
- Cleaning animal enclosures
- Basic animal health checks
- Socialization and providing attention to our animal residents 

What We Offer

- A varied part-time role (hours negotiable) with flexibility
- Competitive hourly rate
- Meaningful work that contributes to animal welfare 
- Being part of our passionate sanctuary family
- A pleasant working environment with plenty of animal companionship
